PROJECTS

IIT(ISM) Dhanbad Official Website   **Ongoing**
Under Director IIT(ISM) Dhanbad.

Resume Builder Web Platform   **Jan'19**
A web application where user can edit its resume on
real time basis, and also can download it in pdf format.
It currently has one format of CV to edit, but there will
be another format of official ISM Template. It is currently
live hosted on link-
https://araj29011998.github.io/Resume-Builder-Web-Platform/

Python GUI
An app having database, just like "Dream 11". Worked on it
using python training on Internshala web training platform.
Drive link having all required files I used in project-
https://drive.google.com/drive/folders/1GkQ4mCq_sxylys82xlwf6-
QsUgRaoPwe?usp=sharing

EArTh – Extended Augmented Reality Treasure Hunt
An Augmented Reality based treasure hunt, having unity based
application in which 500+ objects in our campus were augmented and
people solved it using the user friendly "EArTh" application.
Here is the project link-
https://github.com/araj29011998/Extended-Augmented-Reality-
Treassure-Hunt

ADDITIONAL DEATILS

- Secured an All India Rank of 6364 in Joint Entrance Examination (JEE) Advanced 2017.
- Secured an All India Rank of 3684 in Joint Entrance Examination (JEE) Mains 2017.
